AUSTRALIA

## SUPPORTED INDEPENDENT LIVING

Supported Independent Living (SIL)

Vacancy - Berwick

### About Us

About Care Australia {ACA} is an organisation that values based offering a range of services that provide opportunities for people to live life how they choose at home, at work and in their community.

ACA's homes provide so much more than the in-home supports and assistance with personal care which may be necessary to live as independently as possible.

ACA is all about empowering you to explore new opportunities, broaden horizons and to improve daily living skills and learn new life skills. Above all a development of new social relationships & improve health & wellbeing, and make choices that will allow you to live life the way you want to.

You must be eligible for funding under the NDIS (National Disability Insurance Scheme)
